## **The Association for Supply Chain Management Earns 2023 Great Place to Work Certification™**

Chicago — October 19, 2023 – The Association for Supply Chain Management (ASCM), the global pacesetter of organizational transformation, talent development, and supply chain innovation today announced they are to be Certified™ by Great Place To Work® for the seventh year in a row. *The prestigious award is based entirely on what current employees say about their experience working at ASCM. This year, 91% of employees said it's a great place to work – compared to 57% of employees at a typical U.S. company.*

Great Place To Work® is the global authority on workplace culture, employee experience, and the leadership behaviors proven to deliver market-leading revenue, employee retention and increased innovation. View ASCM's profile page [here](#).

"Great Place To Work Certification is a highly coveted achievement that requires consistent and intentional dedication to the overall employee experience," says Sarah Lewis-Kulin, the Vice President of Global Recognition at Great Place To Work. She emphasizes that Certification is the sole official recognition earned by the real-time feedback of employees regarding their company culture. "By successfully earning this recognition, it is evident that ASCM stands out as one of the top companies to work for, providing a great workplace environment for its employees."

ASCM's greatest asset is its people. The success and growth of our industry and organization is a reflection of the team and workplace culture," said ASCM CEO Abe Eshkenazi, CSCP, CPA, CAE." This certification is only possible because of the commitment of the board and incredible staff we have at ASCM.

ASCM has a people-first culture. We put our resources behind developing employees and building strong teams. We believe in recognizing the contributions of all our employees in both big and small ways.

According to [Great Place To Work research](#), job seekers are 4.5 times more likely to find a great boss at a Certified great workplace. Additionally, employees at Certified workplaces are 93% more likely to look forward to coming to work, and are twice as likely to be paid fairly, earn a fair share of the company's profits and have a fair chance at promotion.
